THE™ QUESTION

Question: Is there always a™ associated with InclusiSync™ ?

Answer: Yes. Whenever our brand is written, InclusiSync™ should have the™ adhered to it.

CORE ASSETS

The primary logo lockup consists of the brand icon, "InclusiSync™" wordmark, and "Workforce Solutions | by The Right Method" mention.

Our logo is clean, modern, and professional, capturing the essence of our brand and the future of work. The brand icon represents an individual becoming in sync with the future of work, showcasing inclusion one person at a time. The InclusiSync logo is the main defining mark of our organization and must always be used to preserve the visual integrity of the brand. Acceptable uses include the examples below. When using the logo on a photo, ensure it is placed in an area that maintains its shape and clarity. Do not use the logo in non-brand colors or alter the relationship between the icon and the text.

DONT'S OF LOGO USAGE

DON'T

Please follow these design rules when using the InclusiSync™ logo.

Avoid changing the font weights, cases, or typefaces.

Do not alter any of the colors in the logo or brand icon design.

Do not stretch or manipulate the logo in any way. Scale the logo down appropriately.

Do not add any effects or drop shadows to any part of the InclusiSync™ logo.

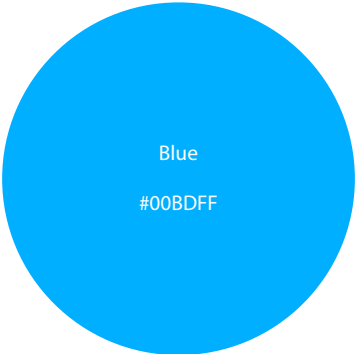

LOGO CLEAR SPACE

Ensure visual clarity by maintaining a clear space around the logo equal to half the icon's width on all sides, keeping it distinct from text or other logos. Allow ample space around each logo lockup for optimal visibility.

OUR LOOK & FEEL

Our brand embodies a clean, bright, and minimalist aesthetic. We prioritize simplicity and clarity, using ample white/gray space to create a sense of openness and ease. Our design is natural and breathy, reflecting a balanced approach that fosters a calm and inviting atmosphere. Each element is carefully curated to enhance clarity and maintain a harmonious flow, ensuring that our brand consistently communicates sophistication and tranquility.

PHOTOGRAPHY

Photography should foster connection and convey a people-centric, authentic, and friendly vibe.

When composing new photographs, prioritize the story conveyed by the subject matter and the environment. Photos should appear vibrant and dynamic, not staged or passive.

GRAPHIC DEVICES

A key element of the InclusiSync™ brand is our graphic elements, elevating our visual impact and instilling confidence in our endeavors. These elements boast a clean, professional design, serving to amplify our message rather than overshadow it. Each asset is crafted with precision to visually articulate our strategic vision through precise shapes, lines, and forms. With scalability and durability in focus, they facilitate immediate deployment while also inspiring the creation of adaptable assets suited to various contexts and stories.
